

Welcome to the Farsley Flyers' 2017 trail race. This is a very scenic route of the local area using public rights of ways and ideal for both running and walking. Expect some uneven and stony surfaces as well as grassed areas. Some short sections may be prone to natural growth of brambles and nettles.

The route starts and ends at Farsley Cenotaph, near LS28 5TL (bus stop 45012338). A shortcut is indicated which reduces the route to approximately 4 miles.

Users of these instructions must take their **own responsibility** and accept them as-is. Farsley Flyers accept no liability or loss through their use. Please follow the Highway and Country Codes, cross roads with care and close gates behind you.
